## **Welcome address**

The welcome address was said by the Permanent Secretary for Ministry of Budget and Economic Planning; Mrs Mofoluke Adebisi. In her address, she emphasized that the focus of

the event was to get the opinion of the people on what they want the government to do. She also mentioned the need to assess the level of successes made so far. She submitted that the programme was for the local government in Ibadan zone ii

### **Goodwill message**

The Honorable chairman, Akinyele local governments was the first to deliver a good message. He started by appreciating the State government for bringing the event to his own domain and he poured encomium on the good work of Engineer SeyiMakinde for the good work he has been doing in Oyo State and especially in Akinyele local government. He submitted the projects, program and policy of the state government were laudable and admonished the citizen to make their input in order to move the Oyo State forward and to improve the life of people at rural communities.

He went further to appreciate the head of all the local governments that made up the event as well as all other dignitaries that took the time to take part in the consultative meeting on budgets.

### **Deputy speaker**

The deputy speaker in his brief goodwill message is said the administration of the present government believed in carrying people along and that the present government was people oriented. He said everyone knew where the shoes were pinching them. Therefore, people should raise their voice and mention those salient issues at the opportunity being given to them. Before taking his seat, he mentioned that in his own community, Oremeji road as one of his local government priorities. He assures all the people of Oyo states that legislative and the executive arm are partners in progress. He also believed that the budget will still go through the House of Assembly. They promised to see to the easy passage of the budget.

senior assistant on economy and budget matters

## **Prof Babatunde Musibau**

His speech started by emphasizing the fact that the reason for the meeting is for people to express their mind and to tell the government what were their real needs. He said government had their own intended developmental projects but it will be good for people to mention what they wanted for inclusive development. He said all the demand and requests would be properly documented and where necessary included in the budget.

### **Onijaye of Ijaye**

He expressed heart of gratitude to the government for coming up with this type of initiative.

### **Oba Adebowa Kamorudeen: Kabiyesi from Ona-Ara**

Appreciated Governor for the road construction from Ajia to Airports. He said there were more to be done on the issue of road rehabilitation and construction e.g Aba-Otun to Amuloko, should be included in the budget because it was not just ordinary road it is a borderline road which was very essential. He stated that the chairman of the local government was doing his best that he only needed the state government to compliment his efforts.
